ALTRAD BELLE **BGBMD300** MINI DUMPER

FEATURES & BENEFITS

Belle's ergonomically designed **BGBMD300** gives you THREE TIMES the load capacity of a standard wheel barrow (661lbs) while the 4-Wheel drive design gets you wherever you need to go in all terrains! The 28" width allows you passage through standard doorways while the perfect weight distribution provides stability and easy steering and dumping.

- User friendly control panel
- 38° Incline | 20° Decline
- Responsive design for easier movement while working on slopes
- 4-Wheel-Drive mode
- 5 Gears (4 FWD. | 1 REV.)
- Reinforced chassis & axel
- Special carrier wheel disengages for easy wheel change

- Easy access fuel filter
- Includes disc brakes & multi-purpose tires
- Retractable center tire for easy maintenance access
- Faster & more flexible than track-drive dumpers
