

## DYNABLAST DC SERIES COLD WATER PRESSURE WASHERS

All **DYNABLAST DC SERIES** Cold Water Gas Pressure Washers are built in Canada for professionals. Featuring an innovative powder coated cart with reversible handle which allows the user the option of installing the handle for high cart or low cart configurations with easy removal for transport, Interpump Triplex plunger pumps with external unloaders, 36" zinc coated lance with plastic grip and 10" pneumatic tires. The 6.5 and 13 HP Honda gas engines with a gear reduced low speed pump model offer dependable cleaning power. Designed to last, you can expect years of performance for all your cleaning needs.
